

# Overview Formats and Workshop Products

# Overview Formats

- Top five significant achievements (national and international implications)
- How are results disseminated and implemented (any measures of dissemination and implementation effectiveness)?
- Significant problems/issues?
- Program costs.
- Suggested kinds of collaboration.
- Others are possible (and inevitable with this group)

# Workshop Products

- Summary of proceedings
- Next collaboration steps (synergies)
- HVS/APT/LTPP collaboration potential
